The Shelton State Community College Mace

This symbol of Academic Excellence, Career Technical Achievement and Community Service was completely designed and constructed in 2003 by Sam House, Ron Estes and Jamie Lindsey, students in our Computerized Numerical Control classes. The College will be forever grateful to these students and their instructors, Jason Moore and Ronnie Guy for their insight, skill and dedication to Shelton State. The faculty grand marshal for the commencement processional and the bearer of the mace is the recipient of the Dr. and Mrs. John Todd Award for Exceptional Achievement in Teaching during the spring exercises and the Chancellor's Award Nominees for Academic and Technical Faculty Members of the Year for the fall exercises.

You are requested to refrain from loud expressions of pleasure for individual graduates. Such expressions detract from the recognition due the next graduate in line. Your cooperation is appreciated.
